“ *David was my older brother by 2 years. He was not only my brother, but he was my playmate. David was very protective of me even as children. We grew up together and graduated from high school at the same time. I was so proud of him when he served in the navy. David suffered much after he got out of the service. The agent orange he contracted while in Viet Nam eventually took his life. I miss him so much and will miss our phone conversations and times of fellowship even more. I love you so much David.
