“ Dave was awesome. He taught me pretty much everything I know about cars. He made work fun. I looked forward to working with him. He always made me laugh and smile. I hope he knows how loved and cared for he is. I miss him greatly already. My condolences to his parents, Lori, and sister and all family and to us, his friends as well. The world lost a great person. I'm just glad he isn't sick anymore. Rest in Peace David. 💖
