“ *Your light shined bright as the stars in the sky
So bright you turned night to day with your sigh
Deborah your free now to fly with the angels in Heaven
Knowing you Touched my life twenty four seven
Your now free of earthly pain
As your time here was like a high speed train
Touching lives on your way
Into the hearts of many you will stay
In the Florida Keys you so love
Filling my heart forever like a Dove
You will be missed Deborah
Until I see you in Heaven*

“ I hadn't see her for many years. We went to Florida keys Christmas 1996 and May 1997. Did a lotta things together and I was madly in love with her but she didn't want settle down I guess, she was kinda wild. I just happened to Google her name today since was thinking about times we spent together and seen she passed. Makes me Sad knowing she passed away WAY to young. But will always remember our time together. And cherish my memories of her!! Rick Long R&L Carpet Cleaning.

“ *Sleep, My Sister*

By T. Hutchinson

*I wish you sweet sleep, my sister dear.
Although there's so much that you've left bare
I hate that you had to endure such pain
On my mind, your saddened eyes have left a stain.
I want to know what crossed your mind
Unspoken words you've left behind
Undone things we'll never do
No sharing thoughts you never knew.
A peace has fallen upon your head
A taste of sorrow we have been fed
It really is like a hole in our lives
One swiftly dug but carved out by knives.
But I have hope that those sleeping will rise
The Bible says that God will open their eyes.
No suffering, sickness, yes not even pain,
Those who did good, eternal life they'll gain.
So... sleep on my sister, sleep tight
For now with you the sky is night.
But after night will come daybreak
Therefore I will wait hoping to see you awake.*
