“ *Mr. Giger was my softball coach in Junior High. He would laugh at me for wearing my long hair in tin cans to practice and fuss because I had to take them out to wear the catchers mask. He was a delightful man with lots of patients. May God comfort you in this time of loss. Dayna Sturgeon-Kovacs*

“ I was very lucky to have worked with Wayne for a number of years.
He was an inspiration to see how respected he was by his
customers. A number of times he helped me see things from the
perspective of what was best for the company and the customer.
Thanks Wayne.

“ When I hear the name Wayne Giger it reminds me of Southern Wyco Softball, a passionate ASA Umpire, a Turner Lion's Club member and a member of the Turner Recreation Commission. His love for sports was very competitive as a coach and as a umpire. We all had many laughs with Wayne. He was a "rebel" to umpiring as Willie Nelson is a "rebel" to country music. He change a robotic structure of officiating to a more relax, roll your sleeves up with a additive toothpick in your mouth for a touch of class. No, he was never the real show to watch, he put on a show that display his caring and sharing of one of his passions in life. A giver to all the youngen's that played softball or sports, his legacy will be cherished and remembered throughout Kansas City softball history and local Turner residents. Prayers sent from the Rahija family.

That is so true - he was my uncle and he definitely was a rebel - he umpired when my daughter's were playing softball and all the teams loved his relaxed attitude - he will be sorely missed

“ *Wayne Giger = Southern Wyandotte County Softball. Truly the best
memories of my childhood and adolescence. Though I never played
for him, I remember the anticipation, nervousness and absolute thrill
of playing against him. Our games were always close. Though he
was a fierce competitor he never missed a chance to compliment us
on our performance. Who does that? Not many coaches approach
the opposing team to congratulate them on a win or a great play
that cost his team the game. Wayne was a great man who was
respected and loved by all who had the opportunity to know him.*

*My condolences to the loves of his life, his girls. Darlene, Becky,
Tina, Karen and Susan. My thoughts and prayers are with you.*

I'm certain Wayne be coaching and umpiring in heaven.

“ Aunt Darlene & famly - it's hard to believe that Uncle Wayne is gone - I remember all the fun times that we had at family reunions, summers and just coming to stay for a week or 2 in the summertime when we were growing up. The softball games and home made ice cream - he and Uncle Jean always made eating homemade ice cream a challenge at 4th of July - I will always remember his greetings when everyone was his "doll" or "laddie" as Shawn would say when he would let he and Scott tag along when they went fishing. I am so sorry that we didn't make it up to visit - there are so many more memories but it would take up too many space to remember them all.

Our thoughts and prayers are with you and all the family.
