“ *My Aunt Della and I shared many loves. She kept a chocolate & candy drawer in her kitchen when we were little & when we were at her house we could eat however much we wanted. She loved swimming with us as very young kids and many a weekend she would be found in the water letting me jump off her knees. She and I love quilting. I am grateful to have 3 of her quilts. She and I loved music & she believed in my talent & pushed me, at 10 years old, to perform in a talent show. She had me meet the scoungey boys (her words) from some band...the Nitty Gritty Dirt Band, who had played at the gig the night before the talent show. She & Uncle Bill, & Steph came to see me in Nashville several times. She and I loved smoking and the relaxation we got from our cigs. Lol Almost every year of my life I received a birthday & Christmas card with Della's tiny, neat writing. She let me know just how much she loved me and I hope she knew how much I loved her. I am so grateful she is now with the family in Heaven. Steph, Debs, & all, I love you all.*

“ *I am so sorry for your loss. Aunt Della was a very kind lady. She and Uncle Bill were so thoughtful and were always smiling. I just loved that about them. May God comfort your family at this time. Sending Love~*
