“ *Jill, as you know, we called your Nanny 'Dee'. I loved visiting with her each week as she was so full of life and love for those around her. We had many wonderful conversations about life, our families and of course - sports. My grandson adored your Nanny and called her 'Dee number 3' as that was the chair she sat in at the beauty shop. She was so kind to him and appreciated his visits to her home, especially at Halloween. I know her passing leaves a place in your heart that will take time to heal. Know that she loved you and your kids and was so proud of each of her grandchildren and great - grandkids. She wanted the best for each and knew in her heart that everyone would be successful and loving as their grew and created their own individual lives. My deepest sympathy to you and the family.*
