*Mom I miss you so much, but I know that you are with God and out of your pain. You were the best mom any one could have ask for. You were my best friend. You were always there for me through thick and thin. I know that I can not see you any more, but I know that you are walking with me, and you will always be with me through the rest of my life. You taught me how to handle life's problems the good and the bad. I have become a stronger woman for that. I thank God every night that he blessed me with a mother as special as you. I love you so much. Thanks for being my mom. Your loving daughter.

Valerie! This is a beautiful tribute to your Mother! She was such a lovely lady and I will miss her conversations and visits to Colorado! Her childhood stories were so wonderful to listen to and she loved talking about all of her family, she was very proud of all of you!

“ Delpha and I were band majorettes at Lafayette High, marching at football games and the Apple Blossom Parade. We would also get together and make candy (fudge and divinity). High school was a fun time so many years ago. I remember her fondly.
