“ *Dennis (Uncle Dink) had a special relationship with my Dog Jazzy. We went to see Dink every night at 5:00. As soon as I got home from work she would start howling which meant it was time to go see Uncle Dink. He kept a big bag of Beggin Bacon Strips by his chair to share during her visits. Even when she was sick she wanted to go see him. She didn't eat her Beggin Strips, she just wanted to sit by him and have him pet her. They comforted each other and shared a special love. She and I will miss our daily visits.*

So long Uncle Dink,
