“ *In Loving Memory of Lola*

It has been four years since you left us, and not a day goes by that I don't think of you. May every picture I see of you remind me of the kindness you showed me, even when I was just 16 years old. You trusted me, welcomed me into your home, and allowed me to stay with you and your beautiful family.

With you, I learned what it meant to be part of a big family,,how to share everything, how to laugh without judgment, and how to be teased out of love. You taught me the importance of speaking our minds when needed, and the value of cooking every day for those we love.

I will never forget how you were there when my child(your grandbaby)was born. You held her close, cuddled her with so much tenderness, and even gave her her very first bath. Those moments remain etched in my heart forever.

Lola, you were a shining example of what it truly means to be human; giving, selfless, and full of grace.

With much love and endless gratitude, know that you will never be forgotten. Rest in peace.
