“ I worked for Delores in the Credit/Customer Service Department at JC Penney's in the late 1970's. She was the best boss I ever had!! We worked hard but She always allowed her "girls" to have fun no matter what was going on. She offered guidance and taught us well. She kept in touch with me all of these years with phone calls and an annual Happy St Patrick's Day Cad. RIP my friend, i will miss your phone call and your stories.. Love, Pat O'Bryan

“ She was one of a kind. I spoke with her last week and we spent an hour talking about the funny things we did at Montgomery Wards. She worried so about her friends and family. I use to kid her about her graduating from high school the year I was born. If sprit and will could have done it she would like to be 100. She was a dear friend and I will miss her greatly. And Gayla you still look just like your mom. Bless you all.
