“ John, Please accept my deepest sympathy on Delores' passing. We were all very close years ago during our time as Mac-Pitters. There were so many of us that knew and cared of her deeply and she showed that caring to all. Please know that my thoughts and prayers are with you.

“ John, It was with great sadness that I learned of Dolores' passing. I have so many wonderful memories of the old gang working together at McNally's. Dolores was always so kind and patient with everyone she came into contact with.....and had such a fun sense of humor. She made work a pleasure. Each of us who knew and cared for her are diminished with her passing. Please accept my deepest sympathy and pass along the same to Jan and Becky.

*Paul,*  
You have no idea how many times over the years Mom told me stories of all the laughs you had together. She remembered McNallys fondly, and I know that was mostly because of her affection for you. I hope you and the girls are well. Thank you for taking time to share your memories. Jann
