“ *Betty,
So sorry to hear of Don's passing. I will always remember him eating his way through the stem cell transplant treatments as I sat with Nancy, who was fighting nausea every step of the way. He was certainly a memorable guy! I'm sure he will be missed. Sending sincerest condolences to you and your family.

Betty, I am so sorry to learn of Don's passing. I know it has been a long and hard hill for the both of you to climb and know that now he is in God's hands and is at peace. May your memories of your life together sustain you and give you peace. God bless you and your family.
