“ Donnie... We will miss your big smile and those amazing bear hugs you gave. We will miss your fun-loving attitude. We will miss the way you made us laugh no matter what we were feeling inside. We will love you forever, and always remember how you made us feel like nothing could get us down. Our 3 week old daughter will be told stories about you when she is old enough, so she can know who you were. Again.... We love you Donnie!! RIP

There are so many of us that are sad at your leaving us but you know we will celebrate your life forever more! You'll always be with us in song. Until we meet again!!!

For most it takes a lifetime to touch as many people as you have, but you managed to do it much quicker. I wish you would have realized how much you meant to everyone. We will never understand but will always have fond memories. May the angel's winds embrace you and guide you to a better place. Karen Haemmerle
