MS

Don was a good friend from college days. We literally "grew up" together. There was a group of us who formed a strong bond during those years in Emporia, Kansas. One by one we lost Don over the years. None of us understood, but we never stopped missing him. I believe I speak for those of us still living- Virginia, Margaret, Rusty, Mildred, and Marlene-when I say, God-speed, Don. We will never know what happened, but we will always love you.
