“ *Even though we were miles apart, the memories growing up with a sister who was fun , and brought joy to her own, will always be there. She is with our mom and dad who opened up and greeted her and she will find peace and love in their arms. God Bless her family who will miss her but find joy in her memory. Love, her sister Bev and husband Lloyd*

“ *Donna took Kristi and I (when we were in high school) to see Bill Cosby live at Kemper Arena. We all laughed so hard we had to tear up and divide her only kleenex, between the three of us, to wipe our eyes from laughing so hard. It was a great time.*
