“ I have known Bob and Doreen for over 20 years. They are two of the sweetest people I've ever known. I'm disabled and they would go out of their way to visit me and bring me anything I might need. I loved their visits. She told me she enjoyed visiting me too as I would make her laugh. She's no longer in pain and she's 1 more guardian angel for us. My heart goes out to Bob and their family.
