“ I lived with Doris for a short time at her home in Kansas City, KS while I worked at the ADP Dealer Services office in Lenexa. Doris was the kindest, sweetest person I have ever known who always thought the best of everyone. She always deeply loved her children and grandchildren and would tell me all about them when I called. She was a good, good friend. Paula Mellrnbruch

“ Doris was a good friend. We worked together when the company was United Telephone. She loved to laugh. I would always try to sit with her at our retiree luncheon when I was able to attend. She will be sorely missed. RIP my friend
