“ *I want to say I am sorry for your loss. What a sweet and friendly Lady. I visited my Mom at the same nursing home Doris was at. She always greeted me with a big smile and Hello. She will be greatly missed.*

“ *First I would like to express my sincere condolences to the family of Doris Russell and say I am so sorry for your loss. I have some very fond memories of Doris. Dining at the Go-Gas Cafe was always such a pleasure, not only for the wonderful down home cooking but also for the conversations with Doris. What fun! Watching her drive off in her big Cadillacs knowing she was headed home to Keith. I am happy I was able to have her in part of my life. She will be missed by all. Rest in Peace. Love, Sandy Hartin*

“ *Doris usually had a smile for myself and family - and for many others in her life - which was full of hard work and dedication to her family of my Uncle Keith and her two sons.*

This woman defined what is meant by a hard worker when she ran her long time restaurant on Merriam Lane. My own father and I would sometimes visit her on a Saturday when he was working on a Saturday. Great memories of my Aunt Doris.
