“ *I have many fond memories of this beautiful lady. Her and I sat at her kitchen table and drank many cups of coffee together while our husband's were either building a race car, working on a race car, or racing their race car. Loved this lady with my whole heart.*

RIP my sweet friend, you will always hold a special place in my heart.

“ I was blessed to call this woman, my mother-in-law, family for 22 years. It is difficult to except that she has left us but comforting to know that she is free from pain and sickness and resting in the arms of our Savior.

“ Jim and family, I'm so sorry for your loss. Jim I remember you and Doris walking in Terry's house when Sharon Miller and I were helping her paint her kitchen. You were both horrified. Praying for God's peace at this time of grief .
