“ I was so sorry to hear of Dorothy's passing. We worked together for years at J.C.Penney. When she retired I took pictures and some time later sent her a small album that I put together for her. She was very proud of her many years there and the many friends that she had made. I can still remember her laughter and also the many times she came to work in so much pain but she hobbled along knowing that she would soon finally have her surgeries and the relief she needed. That kept the smile on her face. May the fond memories you have and the strength from God sustain you through the days ahead. She will be missed.

Sincerely,

Cindy Hudson, Olathe, Kansas
