“ Just remembering all of my trips to KC as a child and the joy of Christmas and NYE at grandma’s full house (never felt crowded to me). Now on the cusp of grandparenthood myself, those memories are even more precious. I always make toffee in one of the 3 Guardian pans I have of grandma’s. They’re the only thing I have from their house, but they get regular use!!! Thank you for all of the advice 😊

“ With a smile on my face, I will always remember Dorothy with as warm and loving Mother who always welcomed all of Debbie's girlfriends over to the house and especially our special trips to their Lake property where we camped out and she would fix us the best pancakes. Priceless memories that I will always treasure!

*So true, Debbie. She was so patient with us during all those "slumber" parties. She will certainly be missed, but leaves a wonderful legacy of love A life well-lived. My sympathy, thoughts and prayers are with you and your family.*
