“ I worked with Dorothy at Fridays.....She was one of my most favorite people.....We had become more than Co workers....She was my friend....I loved her quick wit....she was.such a happy person....NEVER a mean word about anyone.....but she could be humorous....and if you knew Dorothy you will get that.....She was fun loving, responsible, helpful, and where she got her energy I will never know, she always tried to be the best she could be....she was a huge example for all especially me....I thought if I people could all be like Dorothy the world would be a much better place....She was so very loving and just plain kind....I just found out that she was gone but I know she's looking down on all of us and watching over.....Thank You for everything and welcoming me as your Friend...God Bless You Dorothy....May you rest in peace.... You are terribly missed....God Bless Your Family...I will now add you and your family In my prayers...
