“ I was with Doug for almost 5 years...although we had our problems, I was his fiancé for a long time, lived with him for several years, and loved him for several years. He was the most magnificent man I had ever been with. He loved his children and he loved me for many years. He chased me for 2 years relentlessly and I finally fell in love with him. The things he did to win me over will be in my memories for a lifetime as well as numerous things that are private to us. He was kind, a hard worker, and was nothing short of being one of the men you hope to meet in life..."one of the good ones" that women talk about. The way he took care of his Mother can never be topped...he was the perfect son and loved his mother dearly. I helped him get a Harley...and oh, what a joy it was to him. He didn't get to ride it much here, but I'm sure he is riding in heaven. Although our engagement was broken a short 6 weeks before he passed, I still loved him with every fiber of my being. He knew that I did as I had talked to him on the phone 3 short hours before he passed away. We were to meet that night at 9pm, and although it probably wouldn't have ended in us getting back together...I would have been able to see his face and hug him. I miss you so much Doug...every single day I think of you. I love you and you will never, ever leave my heart. We had many times of love and happiness.

“ I remember Doug from many years ago when he was still in high school and he was visiting his mom at the Dolly Madison office where we both worked. I have not seen Doug for many years, but would have recognized him without a doubt. Hugs to the family!

“ Doug was one of the nicest people I worked with. Very down to earth and always had a smile, regardless if the day was good or bad. Whenever he had to resolve or fix a problem, you knew he was going to show up with his cup of coffee and a big smile on his face. Doug you will truly be missed.....

“ *Doug was simply put a great guy and a great person to talk too. I look back fondly on my days at Klover and the good times we had together. Always a laugh to be had. You will be missed.*
