“ *So sorry to hear that Eddie passed. I've known him for years and I have lots of great memories of Eddie and Amy both. He was a wonderful person and I will never forget him.*

“ *Sue and family, I have so many memories from the time we were neighbors. But the thing that I always recall when I think of Ed was that he always used to tell me not to be a "big sweater", his version of "don't sweat the small stuff." I have thought of him often. He will be very missed, I know.*
