“ *I have so many fond memories of my Aunt Jeannie. I think what I enjoyed most was talking to her on the phone. We would talk about anything and everything. She would always make me laugh.*

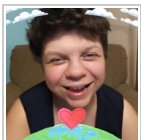

*She was always so sweet and thoughtful and caring. I really can't describe how much she will be missed.*

*Pat - remember that you were a wonderful daughter and I know that your mom loved you more than you can ever know.*

*Love you all. Take care.*
