“ *There are so many memories of our uncle. He was in the Air Force and was stationed in Germany. This helped pay for his college education at Pittsburg State University. He loved being an alumni of Pitt State, traveling back for many Homecomings. He worked for TWA which fueled his love for travel. One of his many travels included climbing Mt. Kilimanjaro. He had a wonderful faith in our Lord, which he now gets to spend eternity. He was a great uncle to his sister's, Carolyn, three children. He was loved and will be missed.*
