“ *Eileen was a dear friend and will be greatly missed. She enjoyed going out to eat with friends and most of all with her son. Like playing cards trivia and bingo. Taught her a new game of blitz that she enjoyed playing. In the few years that I knew her I became very fond of her. We use to set and talk about family and friends. RIP Eileen I know that now you are with out pain and with your love one's that went before you.
We will think of you always.*
