“ Dear Rachael, Sarah and Kim! It has been seven days since Eldon passed away but I don't feel he is not here. I believe he is with us, with those who love him and always will. He was and still is in my heart and memories I have been cherishing all these years. I am sure his soul also knows how much he was loved by you and his friends. It is not always that people express and show their love to someone but that person sure feels he is loved and I know Eldon knew that too. He had kind and loving soul and I pray for him to be in heaven with our God.
