“ Prayers and love to all of you at this difficult time.. my heart is with you all. I was saddened to hear that your mom had passed..what a beautiful soul she was (and your dad too) and it was an honor to know both of them. I will always remember her sweetness, her loving nature, and her wonderful sense of humor..she cherished all of you and the family way, and it always showed brightly in her eyes. What a gem she was, so inspiring..so giving..I will always remember her, and may God's perpetual light shine upon her..May God bless you all with his love and comfort..

With love,

“ I am so sorry to hear of your loss of your Mother Chico. She was an amazing women. She is with her Heavenly Father now. I know how much she will be missed. She was always thoughtful and kind to me and to my family. Every time I look at my parents wedding picture she is there. She was one of my Mom's maid of honor. Now they too are together.

*With loving thoughts and prayers,

“ *Dearest Pacheco Family,*
Thank you for sharing your Mother with me. Your Parents baptized me 59 years ago and although, I lost track of my Madrina the past year, I will never forget her kindness, always remembering me at EVERY Christmas!
One thing is certain....she is with my Padrino, dancing in heaven.
God bless.

“ *Elvira always had something to say and she could be so funny. My mom loved her for her frankness and when mom died she couldn't tell me enough times how much she missed her and make sure and get that quilt finished. She had a smile and brought a smile.*

“ *There was absolute NO one like Elvira. She was a great nurse and it was my pleasure to work with her for many years. We sure had a lot of laughs. She and Merced, were so in love, you could just see it in their eyes and care for each other. Now, they are dancing like Fred and Ginger, giving them a run for the trophy ! Hands down they will win!!*
