“ Our family was so sorry to hear of your loss. Ray was one of my best friends in the business, like a beloved uncle. Sarah, do you remember coming to our shop for our Christmas party one year? Only the nearest and dearest were invited to those McAlister parties, and Ray was that. We send you heartfelt thoughts and prayers to help you through your mourning.

“ Sarah, I are so shocked and sad to hear about Ray. We had so many fun years working together. I will remember him for a number things, his dedication to his job and the task at hand. I loved working with him. Driving the ski boat at Raintree Lake and of course sitting around "BS" ing over a beer. Lee and I will definitely raise that glass in tribute to one heck of a guy. Giving you & Sarah Ann a Big Hug. We will keep you both in our thoughts and prayers. Reggie & Lee

“ He was the best big brother any girl could ask for. He carried me from his car, to my room and to my seat until I was in the 3rd grade. I will miss him and my heart is heavy. He will always be my "Bubba"

“ He was the greatest bother-in-law any one could ever have. Our mother thought of him as her son and loved him dearly as do I.
