“ I was extremely shocked to see this when trying to find Eric after several years. He was a wonderful friend and a beautiful soul. His smile was contagious and he always had music in his eyes. I loved him very much.

“ I wanted to send my condolences to your family. I was Eric's 5th grade teacher. Although I haven't seen Eric in quite some time, the picture you have posted here looks exactly like I remember Eric when I taught him.....only a little taller and a little more filled out. :-)
Eric always had a kind heart and gentle way about him. I can't imagine how heavy your hearts are at this time. I do know you have many beautiful memories of Eric that you will always hold close to your heart. I will pray for Eric and for your family.

Sincerely,

Mindy (Sandberg) Howard

“ Although we did not know Eric personally, we were saddened to read about the loss of one so young. May you take comfort in the words of Jesus at John 5:28,29 where we are told of the hope of seeing our loved ones again.

“ *I am so sorry for the loss, I am praying for your family. I remember when he was about four years old we went to have Mexican food at Manny's. When they brought the chips and salsa, he climbed up on part of the table and used his spoon to drink the salsa. He was one of the first kids that I used to babysit.*
