“ *Though your hearts must hold deep sadness at the loss of your mother who was so dear, may it hold the blessings of the life you all shared and the love that will always be a part of you... Praying that God will comfort your heart, uplift your spirits and carry you through this time of deep sadness .. to a place of peace.
With my deepest Sympathy.*

I loved her so much. All our get togethers for birthdays and holidays she was always so happy to see each and everyone. She made me feel so good..when she said I could call her mom too! I will miss her so much.

*Love and God Bless all of you.
