“ *step-Uncle Ernie (from his step mother Mary's daughter Viola Brown) 1956 or so I remember being with uncle Ernie. That was so long ago but like yesterday in my mind. A memory like that has stayed with me, the good times must have been wonderful fun and I remember laughing a lot when I was around Uncle Ernie. Heaven will be a better place with him in it. Thank you Uncle Ernie your nephew Marshall Brown Ft. Worth, Tx.*

“ I am going to miss Ernie. He has been a good friend to me and always willing to help anyone who needed help. Ernie had a great mind and a photographic memory for tons of information; much of which he shared with us. He would have been a good teacher. Ernie is one of a kind and friends like him are hard to find.

“ We have lived in the same senior building with Ernie for almost 5 years and those were good years. I learned soon that Ernie could turn a joke, a phrase or just plain talk into a real experience. I always alluded to his comments as "Ernie-isms" and he never let us down. Even when they were "groan-ers". He was a happy man and he did good for many people in our building. He will be missed.

“ I am so sorry for the loss of Ernie to his family and to the many friends he had made here at the Gardens of Northgate Village. I meet Ernie a little over 5 years ago when my wife and I moved into the same senior complex where Ernie lived.

He and I immediately struck if off for a number of reasons. He and I LOVED to tell jokes and he was one of the few I could not keep up with. We were both HAM radio guys and country music fans and both enjoyed a good meal followed by something sweet.

Ernie was definitely one of a kind, independent, honest and even though limited physically asked for very little. My wife and I had Ernie and a few other friends in our apartment for dinner on several occasions and he was the life of the party.

My condolences to all his family, I am sure you will miss him as well,
