“ *My heart and prayers to my cousins, Effie and Bobby, and to all the family. Aunt Ethel was a sweet, caring woman who always put her family first. We looked forward to her visits so she could brag about all the grandchildren, and great grandchildren. I have to tell you all a short story. Aunt Ethel and Bob went to Oceola Arkansas with our mom and dad, Sam and Dorothy to get married. Our parents stood up for them. Then our mom and dad decided to get married also and Aunt Ethel and Bob stood up for parents. Funny how our parents just happened to have their rings also!!!!!! I think the whole event was so sweet.* 🙏🙏🙏🙏🙏🙏

“ *I have so many fond memories of my dear Aunt Ethel. Playing cards, Yahtzee, and other dice games. Most of all though, I have always had the utmost admiration and respect for her. Much like myself, she was so family-oriented, She loved ALL her family dearly. When someone makes the time to travel and visit with their relatives, how could you not respect that? All I know is that I loved my Aunt Ethel and she will be truly missed.*

“ *Once while sitting at their kitchen table, I can remember seeing my Dad's eyes light up when he heard his Sister (Aunt Ethel) had come in town and was over Aunt Goldies. They were a close knit family. And Aunt Ethel loved to visit us all up here. On her visits she would already have her next visit planned and would tell us who she wanted to go see on her next trip. Love her so much and her family spirit.*

“ I never had the privilege to meet Mrs. Johnson but I do have the privilege of knowing her daughter Effie; therefore I know she had to be a super lady. To have left behind such a God fearing, loving, faith filled, and compassionate daughter as Effie you did a lot of things right! I look forward to meeting you one day in heaven. My prayers and condolences to the family!

“ I met Ethel at church when she was visiting her daughter in Texas. She was a lovely lady and I can see where her daughter gets her love, beauty, and joy. She will be missed by her family very much. My love and prayers go out to the entire family.

“ We first had the pleasure of meeting Ethel during one of her trips to Texas while she was visiting her daughter, Effie. She was such a joy to be around. Being quick witted and having a wonderful sense of humor kept her right in the middle of all our conversations. Her faith and trust in the Lord was very evident in all she did. We send our condolences to the entire Johnson family.

“ Mom, I already miss you so much, but I know that in a short while we will all be reunited. Save me a seat close to you in heaven. Dance with the angels till we get there.
