She was a collector of many things such as; pencils, magnets, tins, and angels. Her hobbies include word search puzzles, watching feel good movies and yelling at our dad. She had such a big heart that she donated as much as she could whether it be \$5 or \$50 to many organizations, some included the VA, the humane society, Indian tribes and of course to kidney and heart foundations. They say God only takes the best and well he took one of the

best Mothers, Grandmother, Friend and Confidant to all. A true Angel is in heaven. We love you, we'll miss you, but know we will see you again one day

*To the family and friends of my beautiful cousin Evelyn. The loss is great, but she is where we all want to be. No more pain and no more sorrow. I was blest to know her in our childhood years and then our silly, fun years as teenagers. As we began our families we did not see each other as much but we still stayed in touch. We loved God and wanted the best for our own families. She was an inspiration for me during her time of illness, she did not lose her faith or hope. She is now rejoicing with the angels. I shall miss her but I know I will see her again. You are in my prayers for God to comfort and that the void she leaves in your life will be replaced with more of God. Love you all.
