“ Grams, I am glad you are no longer in pain & having to put up with my crap. I have been there with you everyday, especially these past 3yrs. But we have so many memories together. When you had your house, on my days off, I'd bring thr boys over, take you t9 lunch & go to the Deana rose farm, or park or somewhere with the boys. It's still not sinking in your really gone.... its hard being here at our house without you!!! But I know you are in a better place & surrounded by family & friends. Til we see each other again. Fly high & please watch over everyone up there!! I miss and love you with all m6 heart Grams!! ❤️
