“ I want everyone to know what a wonderful man Wayne was! He always put other people before himself especially his family. We were soulmates from pretty much the time we met. He was one in a million and I will miss him until the day I die. I appreciate his friends Sean, J.B, Jay and Dave from Bret's Autoworks. They were not only his best friends but also his family. They were always there fighting with us and praying and visiting Wayne and they were truly his friends not just co-workers. He loved his family and I have two granddaughters that we have helped raise that will forever miss him. Their poppy was not just poppy but a dad and someone they could talk to anytime and he would do anything for them. My sons daughter will not have the chance to know her poppy but she will know the man he was and our son has a lot of his traits so she will know about him also through her daddy. Our other three grandkids just lost their other grandpa last spring so this is definitely not fair to them. The two older ones were able to know both grandpas but the youngest unfortunately will again have to be told about how great her poppy was. He went so quick but he fought so hard. I Love You Wayne and I always will until the day I die! I know he will be waiting for me in Heaven!

“ *I went to school with Wayne, and we worked together for several years.. He was such a great guy, and he had a way about him that put people at ease... I will miss him..*

He did have that way of putting people at ease! And when he was a manager or training people or teaching our kids or grandkids he did it with his positive attitude. He coached our girls in sports and taught the girls to be positive but he didn't yell like other coaches, it just wasn't his way. He was one in a million! Thank you for sharing!
