“ *Fernando was a very unique individual in how he interacted with others. Personally he always treated me with dignity and respect. I will miss calling him on 'father's day', but will always think of him on that day and every other day of the year.*

“ Stephanie, It is with great sadness that I am writing these few lines of sympathy to you and your family on the loss of your father, Fernando. I considered Fernando a very good friend of mine. I first met him when I was fifteen years old and a friend of mine called me up to work a banquet at the Muehlebach Hotel. I was new and did not really know what to do. That was when I met your dad for the first time. He showed me the ropes and helped me along from there after. Always so selfless and just an amazing man with many inspiring qualities. Rebecca and I will surely miss seeing him at different partys, fundraisers and even at Oak Park Mall. Our sincere sympathies to you, your family and the entire Murillo family as well. He will be so greatly missed by all the lives Fernando impacted as you all are very aware of. Jesse & Rebecca Flores

“ Steph, I wish your Aunt's still had her restaurant so I can order one tamale and a side of rice just so I can hear him sassily say one more time "tell that girl don't be coming in here and order a measly 1 tamale & rice..don't even waist my time!" I am so sorry for your loss. Hug your family for me real tight!

Love your friend Kymm
