“ I love my Grandma eternally! She was always my biggest supporter and I valued her knowledge and wisdom as I was maturing. I always admired how strong she was and hoped that I would be as intelligent and independent as her. She made me and my kids a priority in her life, she was there for all of our special occasions as well as the sporting events to just cheer us on and she was a great cheerleader and loved doing it! I will miss her so much..... But I stand on God's promise and I know I will see her beautiful face again when we are reunited in Heaven, Good bye until we meet again I love you Grandma
