“ *Uncle Forest had the best smile and laugh. Growing up around him was so much fun. The one thing I can remember the most, is when he fixed a tire on my car and my dad told me to drive around the block and when I pulled back into the shop the tire fell off the car and dented the whole fender! Oh man the look on his face you could tell he was so mad at himself! Looking back that was pretty darn funny. I will just miss him dearly. Aunt Gloria I love you. To my cousins Forest, Linda, Alan, Vicki, and Charlotte, I love you guys and your father was a wonderful man!*
