“ I have great childhood memories of playing catch with Frank in the Marlo backyard in Overland Park, Ks. Frank knew that I loved playing baseball and he would take the time for us to go into the backyard. It was hot, but he did not care. He was making a “little kid” happy. This would have been in the late 70’s or early 80’s. Many thanks Frank. Jeff Sparks.

“ Dear Aunt Joyce, Family & Friends,
We were so sorry to hear of Uncle Frank's death. He was a fun-loving man to be around. We loved him very much and hope your memories of his greatness will ease your pain. Even though we were miles apart, speaking on a regular basis was enjoyable for us. Just think of him as another angel in heaven watching over us.
