“ Aunt Frankie will be sorely missed. She was a very special Aunt who always told me the story of when I put bubble gum in my belly button. I remember her and my dad having season tickets to the Chiefs games when Arrowhead first opened. She probably kept my dad out of jail on numerous times at the games. She will always have a special place in my heart!

“ We are very saddened to hear of Frankie's passing. I graduated from Washington High School with Frankie and actually went to Junior High with her also. We sat together at our last High School class reunion and spent so much time reminiscing. She was looking forward to her trip to Washington D.C. She was quite a remarkable lady! We send our deepest sympathy and pray for the families healing through God's grace. May fond memories sustain you in the days ahead.
