“ Joni and all the extended family, you have our most sincere condolences with the passing of Uncle Fred. Even though we are not blood relatives and we are mostly outlaw inlaws, Uncle always made us feel part of the family. Uncle was a kind sweet man who thought so much about others and never wanted to be the center of attention, or impose himself on others. We know he was ready to join Aunt Sandi, but he sure will be missed. Our love to all, and may God Bless you with His Peace during this difficult time.
