“ I worked with Penny at GEAR For Sports. She was always a go-getter, on-time, great attitude and more importantly . . fun and a pleasure to work with. She loved talking about her family. Her and I both have granddaughters named Olivia and we would share stories. She spoke with a smile about her vacations and her family time. The pictures of Penny brought a smile to my face and reminded me of her laugh and sometimes her oneriness. She will be missed but we take comfort in knowing that she is in God's safe and loving arms where she can again share her smile! My prayers to all of her family and friends. ~ Lori

“ I got to know Penny at Gear and worked with you for a little over 6 years and she was a fine lady and a good person. I could tease her and she would give it right back. She will be greatly missed and after talking to her I know God is enjoying her company now.

“ I've known Gail as Penny for about 20 years. Her son Kenny is married to my daughter, and Penny and her husband Kenneth and I have been friends all those years, sharing family, visiting to each other's homes, meals and stories. We shared many tears and laughter together over the years. She was a very loving grandmother who doted on her and our grandchildren. All of her immediate family and I are good friends. I love her son Kenny and her Daughter Teresa as my own. And Teresa's girls are my family also. Penny was a loving person to all who knew her, She had a heart of gold, and would not have hurt a soul. I'll always cherish these memories, of fun, laughter, picnic's, parties, family gatherings, and just sitting and talking, forever. She will be greatly missed. I loved her then and I will always love her. She remain in my life as a Angel now, overlooking and safe guarding the rest of us still here on this earth. I love you Penny and thank you for the memories. Love
