“ My heartfelt sympathies for the passing of Uncle Gary. I will always remember dad taking Uncle Gary in when he moved to Kansas City. Uncle Gary lived with us for awhile on Leavenworth Road in Kansas City. Dad got Uncle Gary a job working as a mechanism for USD 500 Transportation Bus barn. Uncle Gary taught me how to tie my tennis shoes when I was a young girl. When me, Jackie and Vickie got scared in the middle of the night, he would let us climb in bed in the living room on the couch hide-a-bed. I have good memories of camping and playing with cousins growing up. He will be missed.

RIP Uncle Gary. I remember when we would go Oklahoma to see grandma and grandpa Blair, I went with him on his paper route a couple times. He treated me at the local Dairy Queen. Another time I went with him into town. He accidentally rear ended another car. He was so nervous to go home and tell grandpa. Good memories with him. We will miss you. Hugs and love to the family.
