“ *Although I never met Gary in person, we had spoken by phone many times over the last several years. (Deluxe is a customer of the company where I work). What a wonderful person, and such a sad, sudden loss. My deepest condolences to his family and friends. - Kathy B.*

“ *The soaked bandana and dusty denim overalls told me all I needed to know about my future friend, Gary. Down to earth, sense of humor, caring and always willing to lend a hand. His dedication and hard work with Service Electric and Deluxe is peppered throughout Deluxe. His glowing smile lighting up the room like the flick of a switch (that he installed of course). While you're gone physically from our lives, these memories and more remain in our hearts forever.*
