“ Julie I'm so sorry for your loss of Gary, he was one of my favorite cousins. Rick had asked my Dad Hugh McGough to conduct at his funeral, but my mother is so bad that KC Hospice has been coming to the house to help him with her, his hands have been so full at times, he doesn't know if he's coming or going. She's probably will be passing at any time now. Gary was a good person, when we were together, when we were kids he loved to tizz me, we had a lot of fun when we visited Grandma Stoner in Arkansas. I lost my brother Greg and sister Kay in 2007 it hurt real bad, but I had to remember they were going to a better place, which is where Gary is going. May God be with you and your family and give you strength too carry on.

Love,
