“ *I just found out about George's passing and was very, very sorry to hear it. He was a very good friend to my dad (who passed away 40 years ago) and then he became a very good friend to me. After I retired from the Air Force and was working in KC George used to go to the Chiefs game with my two boys and me. It was a great time. We haven't been in touch to much over the past several years as I am working overseas but my deepest sympathies go out to Billy, Linda, Georgianne, Ruth and the rest of the Yule Clan.*

“ Grandpa you will be missed dearly. You always seemed larger than life to me. I will treasure all the games you sat through yelling way to go Ladybug! Your smile meant the world to me. I will treasure all those hugs and smiles. What a true gift it was to always walk into your home and see a smile on yours and grandmas face. My only regret is that I didn't make it home more often to spend time with you both. I love you and am so thankful for the time I had with you. Love, Ladybug
