*Jerry was a unique person, Like I've said many times before, He is my brother-in-law,my friend, a dad to many of us, I've known him 43 years and have never spoken a cross word to each other, Very few have loved unconditionally like this man has. He has shown the ultimate love and respect to those who were blessed enough to be apart of his life. I believe he was everything my dad Lloyd knew he would be to all of us. We will take what you have taught us and make you proud. -Connie Anderson,Meier*
