“ *Aunt Gerri was the best Aunt anyone could have asked for. I am going to miss her phone calls and our long talks. "I LOVE YOU MORE" she would always say before hanging up and this would go on between us back and forth until she would say, you have to hang up first. She was full of spunk and would do anything for her family. Heaven has gained another angel to look over us. She will be deeply missed and until we get to meet again you will always be in my heart and on my mind. "I LOVE YOU MORE"!!!!*

“ Geraldine -

*My heart is heavy in learning this news. I will miss you, my friend. I always enjoyed catching up with you when we visited Hillside over the last almost ten years and it just won't be the same without you. Thanks for always being direct and telling me like it was. I really loved that about you. Thank you for being a loving, caring and kind friend. I won't step through that door at Hillside without thinking of you fondly.*

*To Geraldine's family -*

*My sincerest condolences go out to you. Please know that Geraldine was a great friend to many. She made a real positive difference at Hillside and she was an important part of what makes Hillside special. I will remember my conversations with her, her sharp wit, and her deep caring for me and my family. You are all in my thoughts and prayers.*

“ Dear Carol, Cody and family,

*My thoughts and prayers are with all of you. I am very saddened for your loss and will miss Geraldine so much. We always had a lot of fun playing bingo, (she really liked to win). I have fond memories sitting outside on the “smoking” patio talking, laughing and having a great time. She always talked about how much she loved all of her grandkids. She was ornery and would say whatever she wanted, no matter what and was truly a wonderful loving friend to me. She will be missed!!*
